

Hello Team Pallara

PE – Mrs Johnson

Term Overviews

This Term Prep students' will focus on **developing** the fundamental skills of bouncing, dribbling (bouncing on the move) and striking through the beginning skills of tennis. They will use these skills to solve movement challenges in a range of different activities.

Year 1 and Year 2 students will continue to **develop** the fundamental movement skills of Basketball (bouncing, dribbling and shooting) and Badminton (hitting the object in the air, over a target, at a target and with a partner). They will use these skills to solve movement challenges in a range of different activities.

In Year 3 and Year 4 students will **further develop and refine** skills in relation to the game of Basketball and Badminton. They will develop and refine the skills of bouncing, dribbling, shooting and striking. They will apply these skills and concepts to solve movement challenges in a variety of context. Students will start to explore game strategies of attack and defence in modified game play.

Year 5 and Year 6 students will perform and **refine the specialised movement skills** of bouncing, dribbling, shooting, striking and game play in relation to the sports of Basketball and Badminton. They will combine specialised movement skills and strategies to achieve outcomes in games and movement challenges. Students explore and refine game strategies of attack and defence and use these in a variety of contexts.

Thank you

Kelly Johnson
